NTA on its toes as fraudulent claims mar NEET, JEE exams

Manash Gohain
@timesgroup.com

New Delhi: Forged mark sheets, alleged discrepancies in OMR sheets and fraudulent maths are keeping the National Testing Agency (NTA) on its toes since the declaration of the National Eligibility cum Entrance Test (Undergraduate) 2020 and Joint Entrance Examination (Main) results. The education ministry's health ministry and NTA have received 30 complaints, majority of them related to NEET-UG, about so called discrepancies that subsequent investigation proved to be cases of forgery. NTA has decided to file police complaints about these.

Indicating the pressure to perform and the need to deflect parental anger, some candidates have been resorting to forgery of the mark sheets of the NEET-UG 2020 and JEE (Main) to show they scored higher marks than shown. Having perpetrated the fraud, some of the aspirants convinced their parents to approach the authorities for corrective measures.

According to documents accessed by TOI, the faking was so smartly carried out that NTA had to retrieve the answer booklets and take a relook. In one case a student mailed to NTA attaching a forwarded mail stating it has received a mail from the agency with his results, but however the marks are different. "On investigation we found that the mail has not been sent from the agency. Moreover, the documents attached in the mail are forged as the scores mentioned in fact had not been issued to any of the candidates. The matter needs to be investigated whether the aspirant had been fooled or he himself had resorted to the malpractice," said a senior NTA official.

There are cases where candidates having changed the percentile scores of two of the three question sections and the overall rank in NEET, got their parents to send emails to the education and health ministries and NTA claiming that the candidates had been issued two differing marksheets.

However, simple errors nailed the lies. "One candidate used the QR code of the real marksheet on the forged document he sent to us," said the NTA official. There are other interesting claims being made as well, like one candidate claiming the OMR (optical mark recognition) sheet attributed to her is wrong.

JEE (Main) in more regional languages

New Delhi: In order to widen the reach of JEE (Main), the Joint Admission Board (JAB) on Thursday decided to offer the computer-based test for admission to engineering and architecture courses in more regional languages. JEE (Main), which is also the eligibility test for JEE (Advanced) for admission to IITs, is currently offered in English, Hindi and Gujarati and its first cycle of 2021 is likely to be held in January. The JAB meeting to test in regional languages and decided on a two-pronged approach. The first formula is that JEE (Main) can be offered in regional languages of states which conduct their local entrance exams for engineering and architecture courses. The second formula is that the test will be offered in the language of any state which is part of JEE (Main) and wants it to be included.

PM praises Shah on his b'day, says he made BJP stronger

New Delhi: Prime Minister Modi on Thursday praised Amit Shah on his birthday, saying the home minister was making important contribution to country's progress and BJP's growth. "Our nation is witnessing the dedication and excellence with which he is contributing towards India's progress. His efforts to make BJP stronger are also noteworthy," Modi tweeted, his warm words being seen by many as underscoring Shah's cruciality in the government and the BJP's organisational affairs. Shah continues to play an important role in party affairs. TNN

Follow distancing norm: PM to people

Mahila Morcha members celebrate during virtual inauguration of BJP Cultural Cell's Durga Puja pandal by PM Modi in Kolkata on Thursday

TIMES NEWS NETWORK

New Delhi: Addressing the people of West Bengal on the sixth day of Durga Puja on Thursday, Prime Minister Narendra Modi urged people once again to remain vigilant and not lower their guard in the country's fight against Covid-19.

After recalling several measures towards women's empowerment, Modi appealed to the people to adhere to social distancing norms ("do gaj ki doori") and wear face masks while taking part in festivities.

"We are celebrating Durga Puja in times of Covid-19, all devotees have shown exemplary restraint. The number of people might be less but the grandeur and devotion are the same. The happiness and joy are still boundless. This is the real Bengal," he said while sharing his Puja Shubechha (Durga Puja and Doejavai) greetings to all," the PM said in Bengali while appealing to revellers to celebrate Puja with caution amid the pandemic at all times," the PM said.

The BJP had made elaborate arrangements for live viewing of the PM's virtual address from the national capital. The event was televised live at over 70,000 polling booths across the state's 294 assembly constituencies. Assembly polls are likely in West Bengal around April-May next year.

After decades of limited presence in the state, BJP emerged as the main rival to the Trinamool Congress, winning 18 of the state's 42 Lok Sabha seats in the 2019 general elections.

Modi is the first PM to inaugurate Durga pujas in Kolkata, Howrah, Ranaghat, Barasat, Midnapore, Bankura, Malda and Silliguri that have already figured on the BJP's political map eight months ahead of assembly polls.

"Apnader sakalke janai Durga Puja o Kali Puja'r shubhekhha (Durga Puja and Doejavai) greetings to all," the PM said in Bengali while appealing to revellers to celebrate Puja with caution amid the pandemic.
